

November 2017
Hunter Valley update...

HUNTER VALLEY RESORT

Faulty Towers show is back in July

Chaos greets audiences as soon as they walk through the door. In this fully immersive experience, the audience become diners in the infamous 'Faulty' restaurant, served a 3-course meal by Basil, Sybil and Manuel. Expect lashings of laughter, bowls full of spontaneity and as much audience participation as individual audience members want. Why not get some friends together and come along...

Any questions? Please call on 02 49987222
